0.1-0.2 BAR

FEATURES

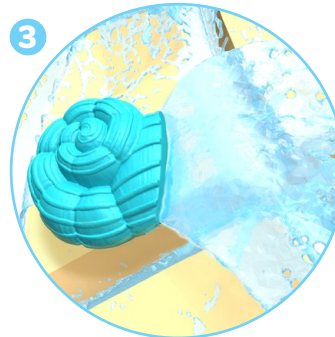

Cascading spray

A cascading spray accessory at the mountain peak releases water into every nook and cranny as children explore the streaming surfaces.

Starfish spinner

Interesting texture for tactile play. Encourages cause and effect learning from splashes created by the spinning feature.

Seashell spinning nozzle

Lets the little ones direct the flow of the water while releasing a softly spray.

Seashell diverter

Rotating diverter that manipulates the flow of water.
