

VECTORY™

BY  VORTEX

DualSpray™

Turn, aim and push to spray the other side!

VOR 7281 DEFLEX

DEFLEX delivers an exciting splash experience. With DualSpray™, a dumping bucket, and a tilted SeeFlow™ panel, kids will have unforgettable play moments.

Product Highlights

- Water dumps onto SeeFlow™, creating exciting splash effects that surprise and delight kids
- A DualSpray™ on each side lets kids aim, spray, and challenge their friends
- Dynamic water effects make DEFLEX a standout feature for compact urban splash pads

Ideal Age Group: 6+

Product Innovations

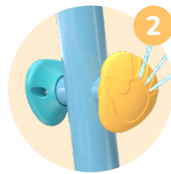

This product features the following technologies that are unique to Vortex:

1

SeeFlow™

- Impact-resistant polymer resistant to UV rays and chemicals
- Colorful reflections are created with the combination of bright colors, water, and sunlight

2

DualSpray™

- Kids turn 360°, aim, and push DualSpray™ to activate sprays on the other side
- Inspire endless playful games and splash battles, keeping kids engaged in interactive water fun
- Made from durable polymer with impact resistance, UV protection, and anti-fungal properties

3

ToeGuard™

- Protects children's toes from anchoring hardware
- Durable, vandal and chemical resistant
- Soft-touch Elastomer
- Infused with a UV resistant bright color

4

Anchoring System SafeSwap™

- Attractive ground caps can be substituted for future play products
- Easily move products from one location to another at no additional cost
- Structural stainless steel base for maximum strength
